Acceptable Behaviour and Anti-Bullying Policy

CORNERSTONE ACADEMY TRUST ACCEPTABLE BEHAVIOUR AND ANTI-BULLYING POLICY

AIMS AND EXPECTATIONS:

At our schools we strive to provide a caring ethos where everyone in the school community feels safe, confident, valued and respected. By promoting an environment where everyone can live and work together in a supportive way we aim to enable all pupils to reach their full potential, emotionally, socially and intellectually.

The aims of our behaviour policy are to:

- Ensure the safety and wellbeing of every member of the school community
- Promote good behaviour
- Help children become responsible and increasingly independent members of the school community

There are clear expectations of pupils. Staff will always act on unacceptable behaviour. The emphasis in this policy is about promoting good behaviour rather than merely deterring anti-social behaviour. We believe that by having high expectations, being good role models and rewarding pupils where appropriate, we promote positive behaviour.

We also seek to ensure good behaviour by:

- Providing a balanced and varied curriculum that stimulates and motivates pupils
- Fully engaging all pupils in their learning
- Clarifying expectations for behaviour within class and being consistent in the application of these
- Responding to any breach of these expectations in a proportionate and rational way and providing the pupil with an opportunity to consider the impact of their own behaviour

We aim to deal with the great majority of lapses in good behaviour within class. Only exceptionally will the headteacher become involved and then in such a way as to support and reinforce the class teacher's approach. It should be noted that exclusions of any kind are extremely rare (non-existent in recent decades) at Westclyst and would only be taken after the school governors had been notified.

Rewards and Sanctions

As stated above, the over-riding expectations at Westclyst is of good behaviour and mutual respect for all members of the school community. Wherever possible good behaviour will be reinforced and praise given for exceptional examples. Most minor breaches of this expectation will be dealt with by the class teacher instantly and without fuss and in a caring and supportive and fair manner. Where there is a continuing pattern of behaviour that falls short of what is expected, or where misbehaviour is more serious, other teachers and members of the senior leadership team will be involved in reinforcing expectations of behaviour with the child.

More serious breaches of discipline, including physical assault, deliberate damage to property, stealing, leaving the school premises without permission, verbal abuse, refusal to work and disruptive behaviour, are very rare at Westclyst. However, should they occur the pupil or pupils involved will be

dealt with severely by a member of the senior leadership team. Recurring patterns of such behaviour would lead to exclusion.

ROLES AND RESPONSIBILITIES IN PROMOTING POSITIVE BEHAVIOUR

The Headteacher will:

- Ensure the health, safety and welfare of all children in the school

- Report to Governors, when requested, on the effectiveness of the policy
- Ensure the health, safety and welfare of all children in the school
- Report to and/or meet with parents/carers when necessary
- In very exceptional cases, the headteacher has the responsibility for giving fixed-term suspensions to individual children for serious acts of misbehaviour and may permanently exclude a child for repeated, or very serious, acts of anti-social behaviour

All Staff will:

- Ensure their pupils know about and understand the expectations for behaviour in their class
- Provide opportunities for pupils to develop interpersonal and social skills, including working in groups
- Offer a curriculum, personalised to the individual needs of all children, that enables them to engage successfully and achieve well
- Ensure that pupils listen and are listened to
- Help pupils to gain the ability to make choices about their behaviour
- Help pupils to be confident about their learning and enjoy it
- Be a positive role model
- Acknowledge positive behaviour
- Track unacceptable behaviour patterns and identify their possible causes when necessary
- Inform parents about issues relating to their child's welfare and behaviour and, where necessary, work with parents to address these
- Be aware of and understand their rights and responsibilities (see Appendix)

Pupils will:

- Respect and care for others
- Listen to others and value their point of view
- Learn and work co-operatively
- Respond positively to the school's expectations for behaviour
- Resolve disputes positively
- Value and take responsibility for the school environment
- When necessary carry out self-monitoring

- Be aware of their own emotions and actions and take responsibility for these
- Be aware of and understand their rights and responsibilities (see Appendix)

Parents, Carers and Families will:

- Promote positive behaviour at home in order to have continuity between home and school
- Cooperate with the school and support it when reasonable actions have been taken to ensure their child's good behaviour
- Contact the class teacher if they have concerns about the way their child has been treated
- If concerns remain, contact the headteacher then, if necessary, the school governors.
- Contact the class teacher if they feel their child's behaviour, in or out of school, is impacting on their emotional well-being.
- Be aware of and understand their rights and responsibilities (see Appendix)

The Governing Body will:

- Support the school in the implementation of the policy
- Give advice, when necessary, to the headteacher about disciplinary issues so that he can take this into account when making decisions about behaviour issues
- Review the effectiveness of the policy
- If necessary, be involved in any exclusions panels and hearing appeals

Use of reasonable force

- All school staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others or damaging property, and to maintain good order and discipline in the classroom.
- The Head teacher and staff authorised by the head teacher can use such force as is reasonable when searching a pupil without consent for prohibited items except where the search is for an item banned by the school rules.

(For more information on the use of reasonable force, please refer to the DfE guidelines. See link below.)

Anti-bullying Measures

Although we aim to create an ethos of good behaviour in which all pupils treat each other and staff members with respect, the school does have a statutory obligation to prevent all forms of bullying including the sending of electronic messages intended to cause distress or anxiety. In addition, the head teacher has specific statutory power to discipline pupils for poor behaviour, including bullying incidents, outside of the school premises or when they are not under the control or charge of a member of school staff.

Any bullying reported to staff, or otherwise discovered by them, whether in or out of school and whether physical or emotional, will be investigated and acted on. If the misbehaviour could be

criminal, the police will be informed. The investigation will normally be dealt with in the first instance by the class teacher. Where the bullying is sufficiently serious, the case will be escalated to a member of the senior leadership team who will discuss it with all parties concerned and punish wrong-doers appropriately. In addition, all parents/carers involved will be informed of the incident and of the action taken. Staff will also consider the motivation behind bullying behaviour and whether it indicates any concerns for the safety of the perpetrator. Where this is the case, the child engaging in bullying behaviour may need support themselves.

In most cases, we would expect these measures to be sufficient to put an end to the problem. In the unlikely event of this not being the case, further incidents will mean temporary exclusion for those responsible for the bullying and if this fails to resolve the problem, to permanent exclusion. We should stress that, as mentioned above, exclusions of any kind have not been used at Westclyst in recent years.

Monitoring, Evaluation and Review

- The school will track patterns of behaviour and respond appropriately to these
- The effectiveness of this policy will be regularly monitored by the Senior Leadership Team and the Governing Body
- This policy will be reviewed in line with the school's review cycle. However, the governors may review the policy earlier if they receive recommendations on how it might be improved.

Equal Opportunities

We expect every member of the school community to behave in a considerate way towards others. We treat all children fairly and apply this policy without prejudice in a consistent non-judgemental way (please see Equal Opportunities policy).
