### **Broadclyst Community Primary School**

#### **Sports Premium Report 2016/17**

##### **Introduction**

The Government is providing funding of £150 million per annum to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for their children.

The sport funding can only be spent on sport and PE provision in schools. OFSTED play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. All schools receive a lump sum of £8,000 plus a premium of £5 per pupil per annum.

For BCPS, this meant a grant of £9,865 in the academic year 2016/17.

*Westclyst Community Primary School received no grant because funding commences when you have Year 1 pupils on roll.*

##### **Reporting**

The Trustees of the Academy Trust ensure that there is an annual statement to parents on how the Primary Sport Premium Funding has been used to improve the uptake and outcomes for PE and Sport both within and beyond the school day. This task is carried out within the requirements published by the Department for Education.

It is the responsibility of the Headteacher, or a delegated member of staff, to produce regular reports that are reviewed by the Local Advisory Board and by the Trusts' Finance Committee.

##### **School Vision**

The Academy Trust will ensure that the school promotes and supports the importance of a healthy lifestyle and place particular emphasis on the wellbeing of our students and how sport and activity impacts positively on all aspects of school life. A wide range of sporting opportunity will be provided each week and across the school year to foster a love of sport and physical exercise, both personally and in playing as part of a team. We aim to provide lots of opportunity for children to participate competitively.

Targeted and strategic use of the Primary School Sport Funding will support us in achieving our vision.

## Principles & Objectives

The purpose of this funding is to ensure improvement in the quality of sport and PE provision for all children. We use the grant:

To improve the provision of PE at Broadclyst Community Primary School

- To broaden the range of sporting opportunities and experiences for all children at BCPS
- To develop a positive attitude towards PE and Sport
- To develop confidence and skills and encouraging a life-long love of sport together with an understanding of the health benefits participation in sports activities offers.

The range of provision the Trustees consider suitable for grant spend include:

- Group work with an experienced sports teacher, focussed on overcoming gaps in learning
- Increased pupil participation in sports
- Additional teaching and learning opportunities provided through
- Professional development courses
- Cover release for professional development
- Quality assured CPD modules/materials
- Specialist Sports teaching
- Qualified Sports coaching
- Change 4 Life sports clubs
- Sports competitions
- After School sports clubs
- Holiday sports clubs
