

## The Cornerstone Academy Trust – Yeo Valley Primary School

### Sports Premium Report 2019/20

#### **Introduction:**

The government is providing funding of £320 million per annum to provide substantial primary school sport funding. The sport funding can only be spent on sport and PE provision in schools. OFSTED play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. All schools receive a lump sum of £16,000 plus a premium of £10 per pupil per annum.

For Yeo Valley Primary School, this meant a grant of £17,880 in the academic year 2019/20.

## **Reporting:**

The Trustees of the Academy Trust ensure that there is an annual statement to parents on how the Primary Sport Premium Funding has been used to improve the uptake and outcomes for PE and Sport both within and beyond the school day. This task is carried out within the requirements published by the Department for Education.

It is the responsibility of the Headteacher, or a delegated member of staff, to produce regular reports that are reviewed by the Local Advisory Board and by the Trusts' Finance Committee.

## **Principles & Objectives:**
